Dear Sir:

This is responsive to the outstanding Office Action issued August 8, 2006.

Reconsideration and allowance of this application is respectfully requested in light of the following amendments and remarks.

REMARKS

The Office Action required an election between the invention of claims 1-16 and 17-19. Applicant elects claims 1-16 without traverse.

CONCLUSION

It is respectfully submitted that, with the present amendments to the claims, oath and drawings, and in light of the above remarks, all of the presently pending claims
